make this following statement without fear, threat, or promise.

In November of 2009, I had known Lascelus  
for a short period of time. I am not  
sure how I met him, but I would see him  
around the streets. He was also a musician  
and I hung out with him at his recording  
studio a few times.

During this time, I sold drugs to a tall  
Black man near Spring Street in Danbury.  
He paid for it with a Silver Dell Laptop.  
I had no need for this laptop and  
sold it a day or two later to Lascelus.

The facts stated in the above sworn statement under oath are true and if not I would be in violation of Connecticut General Statute 53a-165 Perjury which is a class "D" felony.

Signed (X) Ricky Andre Lee Witness: \_\_\_\_\_  
Subscribed and sworn to me this 4th day of June, 2019. My  
Commission expires: 08, 31, 2021.
